## Children's Newsletter Summer 2016

Apr-Aug 2016 | Edition 02

**Greetings One and All!**

We hope you've had a great St. Patrick's Day and you didn't see any pesky snakes around the place. And if you did, they were just the jelly kind! While you've been enjoying your holidays from school, we've been busy bees here in Riverbank putting together an action packed season of events for all ages and interests, this summer. As well as our usual camps and workshops, Animagination is back in April, with even more for anyone who is interested in animation, illustration or books! The IFI also rolls into town, with their annual family film festival - so keep an eye (or two eyes!) out for that.

We also have lots of family theatre and exciting circus theatre to enjoy over the coming months - we hope there's something for everyone (even grown ups!) and you can all join us very soon.

The Riverbank Team
